Medicare Advantage

Vista Financial Group can offers Medicare Advantage. Consider these facts in deciding if a **Medicare Advantage Plan** for hospital and medical coverage is right for you:

- Most Medicare Advantage Plans cover costs & services not covered by Original Medicare.
- Medicare Advantage Plans may have **lower deductibles & co-payments** than Original Medicare.
- Medicare Advantage Plans usually have low premiums -- **\$0 premium plans** may be available in your area.
- Private-Fee-For-Service (**PFFS**) **Plans** with **no networks** are now nationwide -- see any health provider that accepts Medicare.
- **No health questions asked.** All Medicare beneficiaries, including people on Medicare due to a disability, are **guaranteed acceptance** regardless of health conditions (except End Stage Renal Disease).
- Special plans with **lower or no out-of-pocket costs** may be available for "**Dual Eligibles**" -people enrolled in both Medicare & Medicaid.
