## Medicare Part D

Part D is the federal government's prescription drug program that covers both brand-name and generic prescription drugs at participating pharmacies in your area. Coverage is available to all people eligible for Medicare, regardless of income and resources, health status, or current prescription expenses. Medicare prescription drug coverage provides protection for people who have very high drug costs.

Because...

- *You deserve help with your prescription bills.*
- *Part D Prescription Drug Coverage is available to those in Medicare.*
- *Waiting may cause the cost of enrollment to increase.*
